CHILDNET YOUTH AND FAMILY SERVICES FOSTER FAMILY NETWORK FOSTER FAMILY AGENCY CONTRACT COMPLIANCE REVIEW

The Department of Children and Family Services (DCFS) Contracts Administration Division (CAD) conducted a Contract Compliance Review of ChildNet Youth and Family Services also known as Foster Family Network Foster Family Agency (the FFA) in April 2015. The FFA has three licensed offices. One office is located in the Fourth Supervisorial District; one located in Kern County; and another in Riverside County. All locations provide services to the County of Los Angeles DCFS placed children, as well as children placed by various other counties. According to the FFA's program statement, its mission is "to provide long/short-term foster care and placement for children working toward family reunification and permanency."

At the time of review, the FFA supervised 56 DCFS placed children in 23 Certified Foster Homes (CFHs). The children's average length of placement was 15 months and their average age was six.

SUMMARY

During CAD's Contract Compliance Review, the interviewed children generally reported: feeling safe at the FFA's CFHs, having been provided with good care and appropriate services, being comfortable in their environment and treated with respect and dignity. The Certified Foster Parents (CFPs) reported the FFA staff supported them in their efforts to provide care and supervision and service delivery to the children placed in their homes.

The FFA was in full compliance with 10 of 11 sections of our Contract Compliance Review: Certified Foster Homes; Facility and Environment; Maintenance of Required Documentation and Service Delivery; Educational and Workforce Readiness; Health and Medical Needs; Psychotropic Medication; Personal Rights and Social/Emotional Well-Being; Personal Needs/Survival and Economic Well-Being; Discharged Children and Personnel Records.

"To Enrich Lives Through Effective and Caring Services"

CAD noted deficiencies in the area of Licensure/Contract Requirements, related to Community Care Licensing (CCL) citations.

Attached are the details of our review.

REVIEW OF REPORT

On June 9, 2015 Patricia Kirkpatrick, DCFS CAD and Jui-Ling Ho, Out-of-Home Care Management Division, held an Exit Conference with FFA representative Sandra Nash, Southern Regional Director.

The FFA representative was in agreement with the review findings and recommendations, was receptive to implementing systemic changes to improve the FFA's compliance with regulatory standards and to address the noted deficiencies in a Corrective Action Plan (CAP).

A copy of this compliance report has been sent to the Auditor Controller and CCL.

The FFA provided the attached approved CAP addressing the recommendations noted in this report.

FAMILY AGENCY CONTRACT COMPLIANCE MONITORING REVIEW
FISCAL YEAR 2014-2015**

SCOPE OF REVIEW

The following report is based on a “point in time” monitoring visit. This compliance report addresses findings noted during the April 2015 review. The purpose of this review was to assess ChildNet Youth and Family Services aka Foster Family Network Foster Family Agency’s (the FFA’s) compliance with its County contract and State regulations and included a review of the FFA’s program statement as well as, administrative internal policies and procedures. The review covered the following 11 areas:

- Licensure/Contract Requirements,
- Certified Foster Homes,
- Facility and Environment,
- Maintenance of Required Documentation and Service Delivery,
- Educational and Workforce Readiness,
- Health and Medical Needs,
- Psychotropic Medication,
- Personal Rights and Social Emotional Well-Being,
- Personal Needs/Survival and Economic Well-Being,
- Discharged Children, and
- Personnel Records.

For the purpose of this review, ten placed children were selected for the sample. The Contracts Administration Division (CAD) interviewed seven children. Three children were not interviewed, as they were either pre-verbal or too young. During the home visits, the children were observed to be comfortable and well cared for in the Certified Foster Homes (CFHs) and their Certified Foster Parents (CFPs) were observed to be attuned to the children’s needs. CAD reviewed all 10 case files to assess the care and services the children received. Additionally, four discharged children’s files were reviewed to assess the FFA’s compliance with permanency efforts. At the time of the review, four placed children were prescribed psychotropic medication. CAD reviewed two case files to assess for timeliness of Psychotropic Medication Authorizations and to confirm the required documentation of psychiatric monitoring.

CAD reviewed ten CFP files and five staff files for compliance with Title 22 regulations and County contract requirements. Site visits were conducted at CFHs to assess the quality of care and supervision provided to the children.

CONTRACTUAL COMPLIANCE

CAD found the following one area out of compliance.

Licensure/Contract Requirements

- Community Care Licensing (CCL) citations.

COMPLIANCE REVIEW

CCL cited the FFA as a result of deficiencies and findings in a complaint received by CCL on June 30, 2014. According to the report dated October 24, 2014 CCL substantiated a complaint against a CFP for a personal rights violation. The CFP spanked a child one time with her hand. CCL did not request a Plan of Correction (POC), as the home voluntarily decertified on July 17, 2014. There were no placed children in this home when it was decertified. This referral was investigated by a Department of Children and Family Services (DCFS) Emergency Response Children's Social Worker (ER CSW) and the allegation of Physical Abuse was determined to be inconclusive. The Out-of-Home Care Investigations Section (OHCIS) placed the CFH on Investigative Hold until the CFP completed a training course on the appropriate discipline of placed children. OHCIS concluded their investigation on November 26, 2014.

CCL cited the FFA as a result of a complaint received by CCL on July 16, 2014. According to the report dated February 17, 2015 CCL determined allegations of lack of care and supervision to be inconclusive, but cited the CFP for failing to seek medical care for a child in a timely manner. The CFP did not adequately supervise a child and the child received first-degree burns from fireworks. The CFP did not seek immediate medical care for the child after the incident. CCL requested a POC that required the FFA to provide CFP with additional training on the importance of meeting the children's medical needs. A DCFS ER CSW investigated this referral and allegations of General Neglect were determined to be inconclusive. OHCIS conducted a supplementary investigation and determined that the FFA adequately addressed the matter with their internal Corrective Action Plan (CAP).

CCL cited the FFA as a result of deficiencies and findings in a complaint received by CCL on August 12, 2014. According to the report dated December 4, 2014 CCL substantiated a complaint against a CFP for personal rights violations. The CFP hit two children placed in her home. CCL requested a POC that required the FFA to decertify the CFH and the CFH was involuntarily decertified on December 22, 2014. There were no placed children in this home at the time that it was decertified. DCFS ER CSW investigated this referral and allegations of Physical Abuse and Sibling At-Risk were determined to be unfounded. OHCIS determined that the CFH would no longer be used as a placement resource for DCFS placed children. OHCIS concluded their investigation on December 30, 2014.

During the Exit Conference, the FFA representative stated that the FFA provides ongoing training to CFPs that includes appropriate discipline of children, and have decertified CFPs that do not adhere to those standards. The FFA also provided training regarding obtaining medical care for children in a timely manner.

Recommendation:

The FFA's management shall ensure that:

- The FFA is in compliance with Title 22 regulations and free of CCL citations.

PRIOR YEAR FOLLOW-UP FROM DCFS OUT-OF-HOME CARE MANAGEMENT DIVISION'S (OHCMD) FFA CONTRACT COMPLIANCE MONITORING REVIEW

The OHCMD's last compliance report, dated April 22, 2014, identified one recommendation.

Results:

Based on the results of this review, the FFA fully implemented the one recommendation, for which they were to ensure that:

- The FFA obtain signatures on Needs and Services Plans in a timely manner.

At the Exit Conference, the FFA representatives expressed their desire to remain in compliance with Title 22 regulations and contractual requirements. CAD conducted a follow-up visit to the FFA on September 23, 2015 and determined that the FFA had fully implemented the one recommendation noted in this report. The FFA provided training logs showing that CFPs received ongoing training that includes appropriate discipline of children and policy regarding seeking timely medical care of children. CAD will continue to assess implementation of the recommendation during the next review. OHCMD will provide support and technical assistance prior to the next review.

Re: CAP Response to DCFS Contract Compliance Review

The following Corrective Action Plan (CAP) is in response to DCFS Contract Compliance Review findings provided to ChildNet Foster Family Network on 6/11/2015.

Finding #1: Three Substantiated CCL Allegations:

In two of the substantiated allegations, Foster Family Network (FFN) decertified the foster homes, as there is a zero tolerance for any substantiated abuse. All foster parents are provided training prior to certification, as well as ongoing, regarding appropriate discipline, as well as the types of discipline that are not allowed. The training is held at least one time every quarter and may also be done one on one with foster parents when deemed needed.

In the third substantiated allegation, the foster mother was provided specific training as it relates to the need for immediate medical care and the importance of immediately reporting incidents. The agency provides training on Policy and Procedures, including but not limited to, timely reporting of incidents and the need for immediate medical care prior to certification, as well as ongoing throughout a foster parents certification. This training is held at least one time every quarter and may also but done one on one with the foster parent when deemed needed.

If you have any questions, please call me at 562-492-9527 or email me at snash@childnet.net.
